### Description

#### CRF125F/FB

Honda's CRF 125F and CRF 125F FB (Big Wheel) are the ultimate machines for fun without actual road riding. Taking their cues from Honda's pioneering vintage CRF150F and CRF250R, the new CRF 125F and CRF 125F FB offer everything a young entry-level rider could possibly hope for.

#### THE SPECS CRF125F/FB
